For families/households with more than 8 persons, add $10,400 to annual ($866.67 to monthly).

**Breast Screening Eligibility**

Age 50-64: eligible for screening mammogram

Age 40-49: eligible for screening mammogram

only if

1) Pt has had breast cancer before, or
2) If pt has a mother, sister or daughter who has had breast cancer.

Age <40: not eligible for screening mammogram

**Cervical Screening Eligibility**

Age 40-64: Eligible for pap if she still has her cervix or if she has had a hysterectomy for cervical cancer/precancer.

Age <40: BCS cannot pay for Paps, unless it is a follow up to a colposcopy.

Women ages 18-64 are eligible for diagnostic testing if they have symptoms suspicious for breast cancer.

*Ladies under age 40, must have approval from regional coordinator. To qualify, ages 18-39 must have one of the following: discrete palpable mass, nipple discharge or changes, breast pain, or abnormal mammogram and/or ultrasound.

Ages 18-64 with abnormal Paps may qualify for enrollment for colposcopy (diagnostic testing).

Ladies diagnosed with breast or cervical cancer or precancerous conditions may be eligible for Presumptive TennCare immediately. To be eligible for Presumptive TennCare through the TBCSP program, she must also meet the general eligibility guidelines.
